## REDMEN PLANNING BIG CELEBRATION ON 25th ANNIVERSARY

Class of Twenty-Five Will Be Initiated and Grand Public Demonstration Held at Beechwood Park.

Wyandotte Tribe, I. O. R. M., had one of the most enthusiastic meetings of its history last evening. The wigwam was simply crowded. Many of the older members were present and the large number of new faces was a revelation to them. Three more applications were voted upon and elected making the April class for initiation number eleven. They will receive the Adoption degree next Tuesday night. The chief topic up for discussion was the proposed quarter-century celebration of the Tribe in June. The social committee asked for suggestions as how best. Many suggestions were offered. It was finally moved that three additional members be added to the committee to act as a program section of the committee. The Sachem appointed Prof. W. T. Berry, A. L. Schatzman and J. H. Richardson. The social committee served a fine lunch which was enjoyed by all.

After the quenching of the council fire the committee on celebration held a short session to get the plans started. One plan adopted was that an effort be put forth to secure twenty-five pale-faces to be taken in during the celebration in commemoration of the twenty-fifth anniversary of the Tribe.

The date of the charter is June Third, 1895. The regular meeting night of the Tribe is Tuesday the first of June so on that night the twenty-five pale-faces will be initiated. Then on Thursday night it is planned to have a monster celebration at Beechwood Park which will be open to the public. One of the leading speakers of the state will be present. When his name is given the public it will be recognized as that of one of the best speakers of the state as well as one of the leading fraternity men. All living charter members of the tribe will be given a place of honor at the celebration. There will be a big banquet and Col. J. Barbour Russell, himself a loyal Red Man, will be asked to loan his Boys' Band for the occasion. All Red Men are asked to keep the two dates in mind; June first, the time when twenty-five pale-faces are to be initiated; and June Third, when the big celebration will take place.

### CHOIR REHEARSAL.

The choir of the Third Street M. E. Church is asked to meet Friday night at 7 o'clock for final rehearsal of Easter music.

## FATTEST BOY-ALIVE COMING NEXT WEEK

Barkoot's Carnival Will Bring With It Many Interesting Freaks and Attractions—Big Band Concerts.

Fat is like a love affair, it is funny to everyone except the man who is in it, and to him it is mighty serious. If you don't think so stop in and see Jollie Johnnie Webb at the carnival next week, all his friends call him Jollie Johnnie just because he is so good natured and makes everybody laugh. But it isn't so easy to make people laugh and to entertain them as Jollie Johnnie does for his avocation has a distinctive market value. He is known as the fattest boy in all the world. This big boy while only 14 years of age has the pleasure of weighing upwards of 500 pounds. He says that fat people may be divided into two classes, those who have fat souls and those who have thin souls, to be happy while fat you must have a fat soul, for the one who is unhappy and fat is the one who has a thin soul. Nobody takes a fat man seriously, they think it is funny to see a fat man. But how would you like to weigh 500 pounds? Jollie Johnnie doesn't mind it at all. The only trouble he has is in getting from town to town, for he is too big to pass through the door of any coach or Pullman, and so he is forced to travel either in a box or baggage car. This wonderful boy you will see with the K. G. Barkoot Shows all next week on the Ball Park East End. Also Prince Nelson, world king of all high wire artists, in an act never before attempted by any one, never before seen in America, an act perfected during the Prince's 6 year tour of the world.

## Proclamation for Thrift's Sake Clean Up and Paint Up—and Keep it Up! TO THE PUBLIC The Men and Women and Boys and Girls

In these days of patriotic service we should "Keep the Home Fires Burning"—the fires of community life and spirit and efficiency, and all the activities that promote cheerful and pleasant and healthful surroundings in American homes and communities. Cleanliness, Thrift and Civic Pride are the essentials for homes and towns beautiful, and safe from the ravages of disease and fire and storm and sun.

Help Conservation and Production. It is our patriotic duty to promote conservation and production in every possible way—to conserve civic ideals as well as health and property; and to increase commercial and industrial, as well as food production that all may be enabled as well as urged, to "save for our country's needs."

This cause is too big for any mere "week." The need is too immediate for any delay. The work comprises too many phases of community effort for any single group or interest to assume its conduct.

An immediate and continuous and thorough campaign that represents and enlists every interest and organization, every man, woman and child in the community, in a crusade of Cleanliness, Thrift and Civic Pride and their practical application in every way, is needed.

This Year "For Thrift's Sake." Clean Up and Paint Up. Such a crusade is annually conducted in 7,000 cities and towns enlisted in the nation-wide Clean Up and Paint Up Campaign, that reduced Cincinnati's fire insurance cost over \$160,000 in one year, that planted nearly a million "Thrift Gardens" in the nation last year, and that by a score of other practical and popular activities, has made thousands of communities and hundreds of thousands of homes "better places in which to live."

The co-operation of the whole community is necessary, from this moment and throughout the campaign; and we especially urge the utmost effort in giving the campaign a good start by making the Opening Week a complete success, a big community event. This will be.

OPENING WEEK—APRIL 12 TO 17—OPENING WEEK. Help to make our community recognized as in the forefront among happy, healthy, thrifty, prosperous, and beautiful American communities. Respectfully submitted,

THOMAS M. RUSSELL, Mayor.

### LOVING COUPLE ORDERED OUT OF COURT ROOM.

A couple of lovers who were in the court house to hear the evidence in the Schumaker murder case this morning, were asked to leave the court room by Deputy Sheriff Frank Armstrong on orders of Circuit Judge C. D. Newell when their expressed affections for each other became such as to attract the attention of most every other person in the court room. The young man had his lady love drawn close to his side and was holding her securely when the Judge saw them and ordered them to leave but this did not seem to bother them in the least as they walked down the court house steps and down Court street holding hands. The incident caused much laughter and came near breaking up court.

## CORONER'S JURY UNABLE TO NAME MEMBERS OF MOB

Body of Grant Smith Cut Down Near Noon Tuesday—Coroner's Jury Is Unable To Name Members—Sheriff Testifies.

Learning that the body of Grant Smith, negro hanged Monday night by a mob of infuriated citizens of Fleming county, was still hanging on a telephone post near Fairview near noon yesterday, Coroner C. C. Maxey was notified by County Judge Fulton to hold an inquest.

The coroner's jury consisted of W. A. Davenport, W. B. Applegate, John O'Connor, Rolla Ryan, Ransom Cooper and Richard McDaniel. Their verdict was that the negro had met death at the hands of a mob, the names of whom were unknown to the jury.

Deputy Sheriff George W. Powell was the principal witness and told of the precautions that had been taken to guard the negro. He said that everything seemed quiet when he arrived at Paris and was so told by the chief of police of that city; that they went a circuitous route to the jail and as they stepped out of the automobile that 30 or 40 men seemed to rise up from the earth and covered them with pistols and took the prisoner away from them.

It is reported that Deputy Sheriff Powell was shadowed from the moment he left here to go to Pontiac, Mich., to bring the prisoner back to Kentucky, and that every movement was watched and reported. It is also reported that in order that there could be no chance of the prisoner's escaping the mob, when he was brought into the county to waive his examining trial, mobs were formed at Maysville and Vanceburg, if he should be brought to either of those points.

It does not seem likely that a special Grand Jury will be called in Fleming county as the regular Grand Jury will meet in April.

### MR. THOMAS McILVAIN DEAD.

Mr. James Riley received a telegram Tuesday evening announcing the death yesterday of his uncle, Mr. Thomas McIlvain at his home in Denton county, Texas. ## DATES FIXED BY MAYOR FOR CITY-WIDE CLEAN-UP

Mayor Russell Issues Proclamation Making the Week of April 12-17 Inclusive, Clean-Up Week.

As has been his custom every year, Mayor Thomas M. Russell today issued a proclamation designating the week of April 12, 17 inclusive Clean-Up Week all over the city of Maysville. In his proclamation, which is published elsewhere in this issue, the Mayor calls upon all citizens to make a special effort to clean up their premises.

As has always been the case, the city will haul from the streets and alleys all rubbish and dirt collected and Chairman Charles B. Davis, of the Internal Improvement committee, will make a special effort to have the streets and alleys put in the best possible condition. All of the paved streets will be sprinkled and swept clean and all city property will be put in first class condition.

Mayor Russell asks the hearty co-operation of all local organizations in making this week indeed a spring house cleaning week when the old town will be thoroughly cleaned-up.

### ORPHANS TAKEN TO BAPTIST HOME.

Some several months ago a family of three small children, whose father had died of influenza was found in the slum district by Mrs. H. G. Martin, Home Department worker of the First Baptist Sunday School. The children and the mother were in destitute circumstances and they were cared for until members of the family were taken ill when they were removed to the City Alms House. The three children were adopted by the First Baptist Church and today Mrs. W. P. Power and Mrs. S. N. Brooks left for Glen Dale, Ky., with the children where they will be placed in the Kentucky Baptist Children's Home where they will be kept until grown.

### JUDGE KERR WRITES HE WILL SPEAK HERE SOON.

The officials of the Maysville Community Club today received a letter from Judge Charles Kerr, of Lexington, in which he expresses his regret at his illness and inability to fill his engagement here on Tuesday evening. Judge Kerr stated in his letter that he would be glad to come to Maysville just as soon as possible and at a date to be agreed upon. The local committee has selected Tuesday, April 20th, as the date for Judge Kerr's address and have asked him if this date would be agreeable to him. As soon as a date is agreed upon, it will be announced to the public.

## LITTLE PROGRESS IS MADE IN TRIAL OF EDDINS FOR MURDER

Only Few Witnesses Are Being Called—Lawyers A Mission of Alleged Confession of Defendant.

There was very little progress made today in the trial of Henry L. Eddins on a charge of murdering Ben Schumaker at the Cotton Mills last December. The court house was filled all day with both men and women anxious to hear the details of this crime from the mouths of witnesses.

Only five witnesses had been heard during the day up to 3:30 o'clock and at that time lawyers were arguing the competency of a statement made by Eddins in Chief of Police's office on the night of his arrival here and the statements made by Eddins on the following Sunday when he went over the scene of the crime with Chief Ort and Detective Kiffmeyer.

The witnesses heard were Chief Ort, Mr. Pulliam, Lexington boarding house keeper, Mollie Ray, colored chamber maid at the boarding house, Frank Bromley, Superintendent of the Cotton Mills and Al. Kiffmeyer, Cal Crim Detective Agency man. The evidence of the latter was not given before the jury, the lawyers for the defendant objecting until they could cross question the witness.

Motions to exclude Chief Ort's testimony, which was a rehearsal of Eddins told him at the Cotton when the crime was rehearsed, motion to keep Detective Ky's testimony from the jury, were the defendant's lawyers and these motions were being argued late this afternoon. All witnesses testified exactly as they had before.

It appears now that the trial will go through all of Thursday and may not then be finished.

## SAVE MONEY ON MEATS CAMPAIGN

Government Endeavoring to Interest Citizens in Purchasing Less Costly Cuts of Meat.

Washington, March 29.—"Those persons interested in the economics of the campaign to 'Save Money on Meat' by utilization of the less costly cuts, particularly those of the forequarter, should note the following excerpts from a statement on the subject by the Bureau of Markets, United States Department of Agriculture:

"If people in general could realize the value of meat from the fore-quarter as compared with that from the hind-quarter and would use more of it, prices of meat as a whole would be greatly reduced and would be more stable.

"People should use more fore-quarter meats and reduce prices of living. Any of the fore-quarter meat is good for making loaves or Liberty steak, while in some markets, steaks are cut from the rib and sell as short cut steaks."

"In the same statement, the Bureau of Markets has said: 'Because of its reputation as the choicest cut, the people ask for porterhouse steak, whereas if they would try chuck steak, the chances are it would prove to be satisfactory and it would cost much less. The reputation of porterhouse steak with the consequent large demand for it, coupled with the fact that this cut forms only a very small percent. of the carcass, causes it to sell at a higher price than any other cut.'"

#### CHURCHILL ADDS FUEL TO BRITISH POLITICAL FIRE.

London, March 29. — Winston Spencer Churchill, the war secretary, has added fuel to the political conflagration started by the proposal of Premier Lloyd George that the coalition Liberals and Unionists unite into a new party to oppose labor and the extremists.

In an article in the Evening News Mr. Churchill reiterates the premier's call and characterizes the "so-called" Socialist party as the most dark and formidable menace with which British civilization is confronted.

In the meantime Andrew Bonar Law, the government leader, is making a speech also upholding the coalition. Labor statements today indicated that the laborites are prepared to fight to a finish for control.

Oklahoma City, Okla. — R. A. Young, a display window artist, was arrested on a charge of indecent exposure of a wax model of a woman as the result of placing a semi-nude model in a show window.

#### SAYS WISCONSIN TOWN OPPOSED NAVY RECRUITING.

Rhineland, Wis., March 29.—Chief Petty Officer Burke, a naval recruiting officer, returned here from Winchester, Wis., and said he had been ordered to leave that town for attempting to get recruits. Burke declares he went to Winchester and while talking to several prospective sailors there was approached, according to his story, by William Vogelsang, president of the Turtle Lake Lumber company.

According to Burke Vogelsang asked him what he was doing in town, and when Burke told him that he was recruiting Vogelsang is reported to have said: "You have a lot of nerve taking men out of this town, and you had better make arrangements to leave on the next train."

Burke left Winchester. A report of the incident has been sent to Washington.

#### TENNESSEE WILL PAROLE CONVICTS TO WORK FARMS.

Nashville, Tenn., March 29. — The shortage of farm labor will be relieved in part in Tennessee by the parols of prisoners from the penal institutions. Gov. Roberts announced that so many appeals have reached him for assistance that he had decided to parole to farmers every inmate of the state prisons who could comply with the parole requirements.

Farmers attribute the shortage of labor to high wages being paid in cities, which have drained the rural districts of young men.

## DOESN'T HAVE TO LIE DOWN THRU DAY NOW

This Woman Can Keep Going All Day Since Taking Vola-Tonic.

Mrs. Lou Anderson, 119 West Fourteenth street, Cincinnati, O., is stronger and better since taking Vola-Tonic, "Builder Of Strength," and doesn't have to lie down and rest during the day now.

"I was weakened and run down," Mrs. Anderson said. "Lots of times I felt so weakened and tired out during the day that I had to stop my housework and go lie down and rest."

"My appetite was poor and my stomach was out of order. It didn't make any difference how good a meal I cooked, I didn't care for it. The little food I did eat didn't agree with me. Gas always formed on my stomach after meals and caused a pressing against my chest and pains. I belched a great deal after meals also. I was badly troubled with constipation, too."

"Within two days after I started taking Vola-Tonic I felt better and stronger. My appetite returned and I found that I could eat without distress afterward. Gas didn't form on my stomach as it did before and the pressing against my chest and pains disappeared. The constipation left me very quickly also."

"I kept on taking Vola-Tonic and now I am much improved. I'm much stronger and I don't have to stop my housework and go lie down and rest during the day now."

"I can eat about anything I cook, too, and I enjoy my meals. Even the smell of food is different. Everything is appetizing."

Vola-Tonic, "Builder Of Strength," has helped thousands of weakened, run down men and women and it will do for you what it has done for others. Get Vola-Tonic—TODAY!

Vola-Tonic is being specially introduced in Maysville at J. J. Wood's.

### "MOVIE DAY" IN KENTUCKY COURT EVERY MONDAY.

Henderson, Ky.—Every Monday will be "movie day" in court here.

The fight of the Ministerial association merrily goes on, with forces of law and order apparently in sympathy with Sunday movie fans.

First the ministers went before the grand jury, but their pleas for indictments for Sunday law violations were unheeded.

Then they swore to warrants, and in Judge Farmer's court they succeeded in having three theater managers fined—\$2, the lowest fine under law. Every member of the association was at the trial. The defendants held that public sentiment is strongly for Sunday pictures.

"We will swear to warrants every Monday," was the edict of the ministers after the low fine.

### DOUBT DISAPPEARS

No One in Maysville Who Has a Bad Back Should Ignore This Double Proof.

Does your back ever ache? Have you suspected your kidneys? Backache is sometimes kidney ache. With it may come dizzy spells, Sleepless nights, tired, dull days, Distressing urinary disorders.

Doan's Kidney Pills have been endorsed by thousands. Are recommended here at home. Ask your neighbor!

You have read Maysville proof. Read how the Maysville sequel. Renewed testimony; tested by time.

Fred Dresel, tailor and Justice of the peace, 1233 E. Second St., Maysville, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

NEARLY NINE YEARS LATER, Mr. Dresel added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dresel had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

#### FLEMING COUNTY MOB HAD ALL GATES GUARDED.

The Fleming county mob which hanged Grant Smith had every plan made to get charge of the negro when he was brought back to Fleming county for trial, it is learned. Men were stationed at Maysville, Paris and Cynthiana. It is now understood that the officers had planned to leave the L. & N. train at Cynthiana and to come overland to Maysville Monday night if they were warned upon reaching Cynthiana that a mob had gathered at Paris.

Will the Indianapolis pitchers who had the world's champions on their backs kindly send their address to Manager K. Gleason, of the White Sox.

All ladies of the Mayslick community are hereby officially notified that arrangements have been perfected whereby Miss Jump a graduate and specially trained nurse will give a course in Home Hygiene and care of the sick. Those desiring to take these lessons are urged to meet Miss Jump at Odd Fellows Hall, Mayslick, Thursday afternoon, April 1, at 2 o'clock. She will also teach a class of colored women at their school house, Thursday evening at 7:30 o'clock. The course of training is absolutely free to all who take it, both white and colored. #### STATE SUFFRAGE BILL SIGNED BY GOVERNOR.

Frankfort, Ky., March 31.—Suffrage for women of Kentucky in the next presidential election apparently is assured by the signature yesterday of Governor Mayrow to the measure passed by the legislature granting women the right to vote for presidential electors.

Action of the Governor was withheld until the last day allotted him, it was said, in the hope that another state would ratify the constitutional amendment and thus give the general ballot to women throughout the country. The legislature bill provides for a separate ballot.

The Governor's secretary said the bill would have been vetoed as unnecessary in the event of ratification of the federal amendment which would make national suffrage operative.

#### FARMERS MAKING DIRT FLY.

The farmers of Mason and adjoining counties are making time just now with their spring plowing and with making tobacco beds. From most parts of the country now it is reported that rains would greatly help the spring grass. The biggest problem the farmers have this spring is the condition of the roads in the county.

#### LITTLE LEFT FOR THIS TERM OF CIRCUIT COURT.

When the Eddins murder case, now on trial in the Circuit Court, is finally disposed of there will be little left for trial during this term and it is expected that court will be wound up in short order. The Grand Jury will meet again on April 13th to take up its investigations where it left off at adjournment.
